

"Oh, I get by with a little help from my friends" – The Beatles

The Oak School Quilt, 2009-2010

King size, measuring approximately 92" x 100"

This year, The Oaks Quilt is a glorious example of what you can achieve in "just asking for a little help." For the first time, we created an Oaks Quilt Committee who then worked to create the magnificent assortment of quilt blocks that you see assembled. Many hours were spent piecing and sewing these squares together. It took about three days to finish the layout and assembly of the quilt top. We then shared another afternoon on our hands and knees, basting the quilt together. Now we are beginning the slow process of hand-quilting this quilt. It will take approximately 150 hours to finish this last step. This quilt is a real king quilt and is 100% machine-washable. Believe me when I say, it's a one-a-kind opportunity.

What I can tell you is that I never would have attempted to make a quilt design like the one you see before you without help. Many thanks go to Carol Schwartz, Rima Acord, Heather Jacobs, Rya Kihlstedt, Audrey Kissel, Leslie Miller-Navarro, and Colleen Standish for their hours of artistry. We want to thank you for participating in our newest Oaks tradition, the quilt raffle. We are in our fourth year of this endeavor. and we really love every minute of it!
